PENINSULA BUS WINS PUC CERTIFICATE; WILL TAKE OVER NO. 56 RUN

State public utilities commission Tuesday granted Peninsula Bus Lines of South San Francisco certificate to operate the local route now served by San Francisco Municipal Railway No. 56 Cemeteries bus. City of Daly City did not protest the granting of certificate, as was discussed earlier by councilmen.

A. E. Ryan, owner of the Peninsula Lines, said he would start his operation on November 21. On that day, the No. 56 is expected to be abandoned, as announced earlier by San Francisco public utilities commission.

Peninsula will offer a through service from South San Francisco to the northern limits of Daly City, via El Camino Real (Mission street).

The line will travel up Mission to San Jose avenue, right on Flournoy to Mission, and return via Mission and old Mission Road to South San Francisco.

Ryan said two buses would be operated, with service every half-hour from 5:30 a.m. to 6:30 p.m. on Weekdays, 8 a.m. to 6:30 p.m. Saturday and 8 a.m. to 5:30 p.m. Sunday.

Fare will be 15 cents southbound to Holy Cross cemetery, 25 cents for direct transit to South San Francisco. Northbound from South San Francisco the rate will be 15 cents to Holy Cross, 25 cents through to Daly City.

The commission approved granting certificate without a hearing, stating that "public convenience and necessity require that the application be granted."

Last week the city council considered protesting the application, but withheld action after learning that San Francisco was favorable to Peninsula's application.

Supreme Court Hears Demand For Vote Here

The state supreme court Tuesday took under advisement appeal by California Democrats that the court force Gov. Goodwin Knight to order a special election in the 25th (north San Mateo county) and two other Assembly districts.

During a hearing in which Knight was ordered to show cause why special election should not be called in the three districts, the governor's attorney, Gen. Leonard Friedman, contended the court had no power to issue such order.

The 25th Assembly seat was vacated when Daniel J. Creedon resigned the position the day after he was elected to fill it. North county Democrats, represented by Mel Cohn and Thomas Jenkins, argued that the position had been vacant for one year, while Knight had called special elections in other districts where vacancies had not been of such long duration. Jenkins has been named the Democratic candidate.

Let nobody say the employees of the Town of Colma aren't unified.

The city now has only two full-time employees.

One is newly-appointed police chief ALBERT LAGOMARSINO. The other is assistant city clerk BLANCHE LAGOMARSINO, his wife.

A promoter would like very much to build a mammoth swimming pool in the Westlake area which would be staffed by famous swimming performers and developed as a training center for future champions.

Some older pulled a switcheroo on the Halloween spirit Monday night.

Mormons Plan Protest Against Cocktail Lounge

Bishop Willard Barton branded today as "false" the statement made by Hugh Smith Jr. last week that the Mormon church had no objection to construction of a cocktail lounge next door to their building.

Bishop Barton of the Balboa Ward of Church of Jesus Christ of Latter Day Saints, whose church plans to construct a building on Hillside boulevard and Brunswick streets, said that he would "definitely oppose" any such proposal for a tavern adjacent to his religious edifice.

Smith, owner of the land, submitted to the council last week a plan to construct a combination bowling alley, cocktail lounge and restaurant. The recreation facility would be almost next door to the Mormon church, which will also be built on land now owned by Smith. Smith told the council he had consulted with the church and there were no objections.

B of A Yule Funds Hit \$447,000

Marking the near approach of the Christmas shopping season, distribution of Bank of America Christmas Club checks totalling \$447,000 to 3260 residents of Daly City and Colma was announced today by Louis Pisani, D. J. Franco and J. Ferrari, managers of the local branches.

Pisani said that Bank of America will distribute \$52,500,000 throughout the state to 435,000 club members who have followed the popular Christmas savings plan during the past year. This is an increase of \$4,500,000 over the amount distributed to 400,000 Californians in 1954.

Christmas checks receive a warm welcome from club members, Pisani said, and are used to help fill the children's Yuletide stockings as well as providing insurance premiums and other special purposes. He added that Christmas Club accounts for 1955 are now being opened at the branch.

Crusade Does Well—Except In Daly City

United Crusade drive appeared to be making heartening strides everywhere in the Bay Area this week.

Everywhere, that is, except for Daly City.

Thomas Jenkins, Crusade chairman for this area, said today that "not one single solicitation has been made in Daly City although the drive have been underway for more than a week."

The problem, according to Jenkins, is lack of personnel to take over organizing of solicitors.

He made an urgent plea for persons willing to help in the organization of the campaign here to contact him at PL 5-4508 or SU 1-5500.

"We are total abstainers and our teaching is against drinking," said Bishop Barton.

The Bishop said even the idea of a bowling alley next door to the church was objectionable, but declared his group would not protest, since they were informed of Smith's bowling alley plans at the time they started negotiations for the land.

Barton revealed that the church has not yet obtained ownership of the land from Smith, but said, "If this protest is going to hurt our negotiations to buy the land we'll just have to let the chips fall where they may."

Smith's application for the bowling alley-cocktail lounge, has been turned over to the planning commission for recommendation.

TROUBLE ARISES FOR COPS OVER 'ROUTINE' ARREST

An arrest by two Daly City police officers developed into more than a routine assignment Saturday afternoon.

The series of events began when police were called to 81 Alexander street where neighbors complained of a fight. Upon arrival, Officers John Van Otten and Charles Brooks found Francis Allen Knox, 33, a printer of the Alexander avenue address, and his brother-in-law, Horace Ross, standing on the sidewalk. Both were dripping wet.

Knox's wife later told the officers that she had turned the hose on the two men.

"It's a family fight," the policemen were told.

In a calm and serene manner, Van Otten asked Knox his name.

In a not so calm and serene manner, Knox replied, "I won't give you my name," and with that, he turned and struck Ross in the face, officers said.

When Van Otten attempted to control the pugilistic display, Knox called his dog, Spike.

"Go get them, Spike," he was quoted as saying.

The obedient dog, hearing his master's voice, thereupon ripped Van Otten's sleeve. He withdrew, however, at seeing Brooks' club which the officer withdrew as a protection against the animal.

Next to enter the fray was Knox's wife, who pleaded with the officers, "Leave my husband alone."

Instead the officers radioed for assistance.

At long last, the skirmish ended with Knox being hauled off to the city jail where he was booked on disturbing the peace and being drunk on a public street.

Consider Widening 87th Street 1 Lane

City of Daly City is considering a Broadmoor request to widen 87th street just west of Junipero Serra boulevard.

City Manager Howard Stites says he is investigating cost of widening 87th street by one lane to facilitate flow of traffic into and off of the boulevard. Request to widen the street was made by Broadmoor Property Owners association. They said the nearby shopping center traffic was jammed up with autos seeking to gain access and egress from Junipero Serra.

Stites said he thought the project was "feasible" and asked Engineer Cyril Weiler to get a cost estimate of the job.

Armed Thugs Escape With \$3000 In Holdup At Mission Street Tavern

FUTURE CITIZENS do their own spadework at ground breaking Monday for \$100,000 supermarket at corner of Brunswick and Hillside boulevard. Novel breaking of ground was arranged by George Glass (upper left), who said, "These young-

sters will be the business people and residents of Daly City in the future and we felt they should take part in this newest community enterprise." Children are first grade students at OLPH school. Glass is shown shaking hands with Hugh Smith

Jr., who will construct the modern mart. Glass, presently owner of Hilltop Market at 6315 Mission, will operate the store. Contractor Loyal Ingersoll is expected to start work on the project next week.

NORTHGATE BOUNDARIES HIT BY LAND OWNERS, BUILDER; BOARD DECISION DUE TODAY

County board of supervisors will rule this morning (Friday) on whether to accept boundaries and set election date for the proposed city of Northgate.

A hearing on the incorporation of Broadmoor, Sterling Park and Colma area consumed 2½ hours Tuesday before the county supervisors, and found protests against the would-be city being lodged by two municipalities, a major developer and 140 individual property owners.

An unexpected protest came from Chris McKeon, developer, who plans to subdivide 375 acres of property, much of which lies within the Northgate boundaries.

McKeon argued that he wasn't planning to develop the land for five years and that he would have to pay excessive taxes on the uninhabited land all during that time if it were declared a part of Northgate.

He also maintained that the property owners who will eventually live in his subdivision should have the opportunity to decide what city they should belong to.

Daly City Protest

Daly City's protest, lodged by city attorney Frank Blum, was centered around the controversial "strip" annexation which is pending before the city.

The Northgate boundaries include a narrow strip of land running parallel along Junipero Serra boulevard, but Blum said the city has prior jurisdiction over the land, since it was presented for annexation before Northgate's boundaries were established.

District Attorney Keith Sorenson related that he "thought" Daly City had prior jurisdiction over the strip, but wasn't sure.

Blum gave notice that Daly City

would file suit against Northgate if it did not exclude the strip from its boundaries.

Thomas Noonan, speaking for the incorporation group, said that his group preferred to leave the strip in their boundaries and would go to court over it if necessary.

A petition protesting the formation of the sixth class city was presented for the record. It contained names of 140 property owners in the area affected.

Vincent Cauchi, member of the Broadmoor Property Owners association board of directors, spoke on behalf of the incorporation, as did Noonan.

Deny Blum's Claim

Attorney Antonio Gaudio represented the Northgate group. He denied Blum's claim that Daly City had prior jurisdiction over the strip of land.

Two armed bandits escaped with \$3000 in a holdup at Tiny's tavern, 6045 Mission street, early yesterday (Thursday) morning. Only person in the bar at the time of the robbery was the bartender, Abe Rosenstein.

Jeff Trustee, Weibel Clash At Board Meet

Discussion over lease of office space flared into a sharp exchange of words between superintendent H. Z. Weibel and Trustee Hartley Appleton at Saturday's adjourned meeting of Jefferson Elementary School district board of trustees.

Appleton, commenting that the district went about securing lease from Henry Doelger for administrative office space at Westlake Medical Building in a "backward manner," said the price of \$516 was too high.

"I remember us discussing a blanket figure of \$16,000 for leasing the space for three years. Under this \$516 rental, it would come to \$19,000 for three years," Appleton declared.

The trustee also said the district (Continued on Page 2)

Cops Find No Clues In 5 Break-Ins Here

Because of a lack of any identification, local police were stymied today in an effort to discover two culprits who entered five local homes here Friday night.

Only two of the five homeowners reported theft, although all except one person said that their houses had been completely ransacked.

Mary MacDonald, 430 Winchester street, was the only victim; home at the time the pair entered the five residences. Mrs. MacDonald told officers that she was sleeping in a room off the kitchen when she heard footsteps on the stairs leading from her basement. When she entered the kitchen, she said two men shined a flashlight in her eyes so she was unable to see. She declared that the pair then fled.

Only two persons who reported any loss were Henry Beffa, 227 Evergreen street, and Norma Malik, 115 Templeton street. Beffa reported that \$13 worth of quarters were stolen from a piggy bank while Miss Malik reported that she found about \$25 missing from two banks. No other valuables were taken from either residence.

Fourth victim of the pair, E. Ruiz, 295 Wyandotte street, suffered no monetary loss but reported that food from his ice box had been scattered on the kitchen floor. His house also was completely ransacked.

Fifth person to notify police that his house had been entered was J. Rasmussen, 299 Wyandotte street. Although Rasmussen said his house had been ransacked, he reported nothing missing.

The bartender told police that the first of the two thugs, a white man, entered the tavern at 1:05 a.m. and ordered a whiskey sour. Rosenstein continued that as he prepared the drink, the second bandit, a negro, appeared brandishing a gun.

The negro pointed the gun at Rosenstein while the other thug went behind the counter and looted the cash register, the bartender said. Next the pair took \$100 cash from Rosenstein's wallet.

"Let's go in the back room where the safe is," one of the thugs was reported as saying.

Makes Threat

They allegedly forced Rosenstein into the back room, and when the bartender said he didn't know the safe combination, he was struck on the shoulder with the butt of the gun.

"Next time I won't hit you on the shoulder," the white man threatened.

Rosenstein said he then opened the safe, after which he was forced to stand facing the wall with his hands behind his back. He said that one of the holdup men took a table knife and opened the boxes in the safe.

Meanwhile, the other thug stood guard outside the tavern.

Rosenstein said that the pair then bound his hands and fled. He told officers that he waited a few minutes and then rushed outside where he flagged a cab driver, Robert F. Brown.

Call Cops

The cab driver untied his hands, and Rosenstein then called police.

Police were given descriptions of the two holdup men by Rosenstein. He said the negro was 5 feet, 10 inches; weighed about 160 pounds; was from 30 to 39 years old; had a round face and was wearing a brown overcoat. The second man was described as being 5 feet, 8 inches; weighed about 135 to 145 pounds; from 30 to 39 years of age; brown hair; clean shaven and wearing a gray checked suit and gray hat. He said that the white man spoke in a plain and precise manner.

Alleged Molester Pleads Not Guilty

A 75-year-old local man pleaded not guilty in municipal court Tuesday to a charge of molesting a six-year-old girl. Scheduled to appear for preliminary hearing on November 17 is Gustaf Alldo, retired, of 498 North Parkview avenue.

Police arrested Alldo after the child's mother signed a complaint stating that her daughter had been molested by Alldo in his apartment. The girl said that she and other children had entered Alldo's residence upon several occasions.

The accused is now out on \$1000 bond bail.

COLMA COUNCILMAN IS NOW THE TOWN'S CHIEF

Town of Colma has a new police chief.

He is Albert Lagomarsino, 50-year-old Colma councilman and former engineer at Cypress Lawn cemetery.

Lagomarsino started work Tuesday to fill a job that has been virtually vacant for six months, because of the illness of former chief Joe Ryan.

The new chief was appointed to his position Thursday night, after the council formally received resignation of Ryan.

Lagomarsino first resigned his council job, and then received unanimous appointment as chief.

The chief will receive a salary of \$400 a month, plus use of a house

adjacent to the town hall.

Lagomarsino had been a member of the council for four years.

The vacancy on the town's governing board will be filled at the November 9 meeting, according to Mayor Ray Ottoboni.

The council took up the issue of hiring a new chief last Wednesday night, but had to adjourn because all motions to declare the office of chief vacant died for a lack of second. Councilman Bartley Flynn held out for a resignation from Ryan before replacing him in his job.

As a result, the council visited Ryan at the hospital Thursday and secured his verbal resignation.

Ryan held the job eight years.

COUNCILMAN Albert Lagomarsino is now the Colma chief of police, replacing Joseph Ryan, who served on the post eight

years. Here E. A. Weisenburger, Colma clerk, swears in Lagomarsino prior to his assuming chief's duties Tuesday. Lago-

marino resigned council post last Thursday, and was unanimously named to chief's job. THE RECORD photo

Asked for children for a "trick-or-treat" donation, the man gave them a bag that appeared to be a chuck full of goodies.

He instructed the Daly City kids not to open the bag until they got home.

The tots dutifully put the bag in side their larger bag of "loot" and carried it around until "quitting" time.

The treat turned out to be a trick as the oldest had given the children a bag full of water, which leaked out, spoiling all their Halloween candy and cookies.

Another Halloween gambit found several juveniles trying to hoist a Volkswagen from the street onto the sidewalk, but the project failed.

Notation from a local police officer asked to follow up a hit-run case was, "too busy."

Big surprise in the Northgate hearing Tuesday was the protest of builder CHRIS McKEON whom some thought to be favorable toward the establishment of San Mateo county's 14th city.

Local pundits are now trying to figure out who is the big backer of the incorporation movement since it's a cinch the little guy did not come up with some \$2000 for the pending election.

Some say the incorporation "angle" is none other than a well-known official.

Northgate Dispute

(Continued from Page 1)
Also protesting was City of South San Francisco, which charged that formation of a new city would create drainage problems for their community.

The property owners protesting Northgate said they represented over 50 per cent of the entire assessed valuation of the area with in the boundaries.

Decision on who has prior jurisdiction over the strip of property within Northgate's proposed boundaries will be made by the board at Friday's meeting, which will be held at 10 a.m.

Jeff Trustee, Veibel Clash At Board Meet

as leasing more space than was needed.

Charge Operation
Weibel interrupted, "It seems to me the modus operandi is going to have to change. Before July 1 he board cooperated with the administration on matters of this kind."

Slamming his fist on the table, Appleton retorted, "You're not going to tell me this! We're responsible for this district. Are you in error that you had cooperation before I came on the board on July 1?"

"Let me talk," answered Weibel. I was just going to say that from now on it appears we'll (the administration) have to spell out every little thing."

"It seems to me," Appleton countered, "That the attitude of administration is to do everything possible to get the board of trustees off their back."

"That's a very strong statement," Mr. Appleton, Weibel replied sternly.

Asking Appleton to "wait a minute," the superintendent continued, "I don't like this being discredited in the eyes of the public and the press."

"You'll not be limited at all in our duties," Appleton answered. "But I say there's a big difference between \$16,000 and \$19,000 for leasing office space."

"For the past four or five years," said Weibel, "We've made progress and we didn't have all this discontent. We've even got all the classes of double session part of the last school year."

"I don't think that's much of an accomplishment," retorted Appleton.

"You Had Rules"

Referring then to the statement by a state official last week that the district could have applied for funds to build several schools, rather than just one at a time, the superintendent said, "You had a copy of the rules and regulations of the department of finance. You didn't discover that more than one school could be applied for at one time."

"I did not," snapped Appleton. Trustee Henry Kraus interjected, "Let's do something and stop this bickering."

Chairman Michael Callan said the extra space, designed for a meeting room, would cost the district approximately \$100 more a month.

"We don't think of our children," claimed Appleton. "If we can have an office complete, why not classrooms?"

"We're not talking about that now," reminded Weibel.

Reduce Rent
Appleton then suggested that

perhaps the amount of rent could be reduced by cutting down the size. "I have no argument with anybody," declared Appleton. "But as a trustee it's my job to see that the children get an education."

"But you impede us by bickering over these things," said Kraus. "In the end we spend all our time and never get to the important issues."

"I agree," replied Appleton. "But I see red when I see money being spent over and above educational purposes."

Kraus said, "If Weibel and Shapiro (business manager) say we need the space and we have confidence in them, I say go ahead with the rental."

Eliminate \$67
Trustees voted, however, to eliminate \$67 of the \$516 rent charged for footage in a corridor which is used by other tenants. Motion to send Doelger a letter refusing to pay for the corridor space passed, 4-1, with Kraus opposing the motion, stating that, "We're dealing with business people. It's not right to be dictatorial."

In other action Saturday, the board:

1. Passed resolution of necessity to start condemnation proceedings against property at 63 Miriam street.

2. Directed Weibel to conduct study aimed at straightening the south boundary line of the district, which fronts against Laguna Salada School district.

Hire Foreman
3. Approved hiring of maintenance staff foreman at salary of \$385 a month; changed salary classification of Gene Andrus from bus driver to maintenance man, increasing his salary \$15 a month; signed contracts for new teachers Hubert Lenzler, Georgina Beck and Dorothy Malone and approved hiring of Louise Strand as first grade teacher, 87th Street school.

4. Called for bids for installation of sidewalks on Chester, Byrne and Lisbon streets around Colma school. Cost estimate was \$5000 to \$6000.

5. Asked Daly City recreation director to submit an over-all plan for conducting after-school recreation programs under supervision of city personnel, whose salaries would be paid by the school district.

School Acquisition
6. Discussed acquisition of land for school site west of Skyline boulevard.

7. Rescinded an earlier resolution starting condemnation proceedings against land in the area formerly known as Zanone property, which has since been developed by the PG&E after the district chose a different school site.

8. Granted permission for Muriel Vint, music coordinator, Helen Cordell, art coordinator, and all

cratic candidate for the legal legislative post if the election is ordered.

At one point in Tuesday's hearing Lester Van Tatenhove, representing the 75th district, claimed the governor could be put in jail if he was ordered by the court to call the elections and neglected to do so.

Chief Justice Phil Gibson told the Democratic attorneys' the issue revolved about whether the duty imposed on the governor by the constitution was a routine "ministerial" one or a political duty—"not in the partisan sense, but involving judgment."

"If it is a political duty," he said, "The courts will not interfere."

The governor's attorney said the election-calling function of the governor was not subject to "judicial compulsion," and that the constitution gave the governor "room for judgment" in setting special elections.

DEMOS TO NAME DELEGATES AT COUNTY LEVEL

A resolution designed to bring selection of national presidential convention delegates to the "grass roots" level was passed Thursday night by San Mateo county Democratic central committee, meeting at Daly City hall.

Drawn up by James McKay of Broadmoor, the resolution calls for selection of the two local convention delegates at the county convention, instead of allowing the delegates to be chosen from a state level.

Explaining the resolution, McKay said, "We want representatives of San Mateo county Democrats chosen at the working party level. Not in some back room."

Another McKay resolution, that the county committee invite Adlai Stevenson to participate in the California primaries, was tabled because some of the committee felt the invitation shouldn't be limited to Stevenson. According to McKay, the resolution will be reworded to include Sen. Estes Kefauver and Gov. Averell Harriman, as well as Stevenson, and will be voted on at the next meeting.

Approximately 30 persons were in attendance at Thursday's meeting, including 10 representatives of the North End Democrats.

Thugs Break 5 Windows At DC Realty Company

Five windows at the Callan Realty company, 2790 Junipero Serra hospital, were broken Sunday night by unknown culprits. Daly City police were informed of the damage at 10:15 p.m. by Broadmoor officers.

READY FOR RESPONSIBILITY?

With granting of certificate to Peninsula Bus Lines Tuesday to service the Colma-Daly City area the way is cleared for San Francisco to take what will amount to the final step in forcing Daly City to become self-sustaining in the field of transportation.

The Peninsula Line will take over the route now covered by the No. 56 (Cemeteries) line. San Francisco plans to eliminate the No. 56 the day the new line starts operating.

The No. 76 (Broadmoor) bus is virtually no more, since it is not being operated in San Mateo county by San Francisco, but through a subsidy paid by Henry Doelger.

The granting of certificate to the Northgate Transit Co., which is pending before the state public utilities commission, would be the signal for San Francisco to yank the No. 76 with what they hope will be an air of finality. The SF Muni Railway director of traffic has gone on record that if the jitneys start operating in unincorporated San Mateo county, Muni will eliminate the No. 76, with a great sigh of relief at that.

The trend was established several years ago and has been accelerated by the wails of San Francisco taxpayers who were ostensibly spending their dimes and dollars to pay for transportation in another county.

Whether because of prior commitments or the knowledge of Daly City's plight, San Francisco has time and again granted moratorium on its announcements to discontinue transportation here.

Daly City has now, however, probably reached the point of no return as far as its transportation relationships with San Francisco go.

A certificate has been granted for one firm to meet the public necessity and convenience here, and a second company has applied to fill the remaining transportation vacuum.

It looks as if Daly City is standing all alone now on public transit. We hope the city is ready to meet its responsibility.

1500 'Folks' Missing Of Potential 1750 Jeff Hi PTA Roster

Over 1500 parents of a potential 1750 Jefferson Union High school PTA have disappeared.

This fact was brought out last week when student members of the Block "J" of the Jefferson Union High school requested the PTA for funds to help finance their dance last Friday. Their request had to be limited to a \$5.00 donation because the membership in the PTA has been so low. Only 240 parents have thought enough of their children to join so far, the students said. "Unless more mothers and fathers join together, the budget for the current year will not be met and student aid will have to be severely curtailed," sources said.

Mrs. Fred Kruse, president of the unit, has requested that parents, "at least return the empty envelopes if they have no use for them because they represent an expense."

However, she said she hopes that they will fill them and become active members in a group that is really trying to better conditions for the high school students.

'Time Out For Mom' Program Features Yule Crafts Series

A Christmas crafts "do-it-yourself" series starts next Monday night at the Olympia school in Westlake, under the supervision of the San Francisco YWCA. This six week series from 8 to 10 p.m. each Monday evening, is a part of the "Time Out For Mom" program for young married women living in Northern San Mateo county.

Instruction will be given by Mary Lee, popular young artist. Mrs. Lee gave a similar course on television two years ago. During the six weeks she will show how to make Christmas cards, tree ornaments, decorations for the home, gift wrappings, party favors. Cost of the course is \$3 for the six weeks instruction, plus YWCA membership of \$2.

"Time Out For Mom" is the popular program sponsored by the YWCA for young homemakers in this area. Under the chairmanship of Mrs. J. P. Hofer, the group has enjoyed programs each Monday night. Subjects have ranged from charm and table-setting to invest-

SAFETY NEWS

EXPECT THE UNEXPECTED

The first recorded traffic death in this country was a pedestrian struck after he had alighted from a street car, and pedestrians have been getting themselves killed by automobiles ever since.

You'd think in the many years automobiles have been part of the American scene, pedestrians would have learned to live with them, but statistics prove they haven't.

Last year, 7,900 pedestrians were killed in traffic.

What's the reason behind this whole distressing problem? There are many reasons, of course. Some of them involve the pedestrian, others involve the driver, most of them involve carelessness on somebody's part.

But one fact looms large in any killed each year are non-drivers. They are unfamiliar with the limitations of the driver and his car. This fact gives both drivers and walkers a valuable clue on the prevention of pedestrian fatalities, a great many pedestrians die because of the driver's faulty judgment in estimating the speed of an automobile, in figuring how well the driver can see it, in determining how long it will take the driver to bring the car to a stop, ect. The driver who proceeds on the assumption that the pedestrian has no appreciation of the driver's problems will act as if the whole job of keeping pedestrians safe in traffic depends on him. And he will keep many pedestrians safe.

In the same way, the walker who realizes that many pedestrian deaths are brought about by ignorance on the part of pedestrians themselves, will not be likely to trust his own judgment of what the driver can see and hear and how he can be expected to react. Such a pedestrian will never venture across a street until he is sure he has ample time to reach the opposite side in safety. He will never assume that just because he can see the headlights of a car the driver can see him. He will look upon the driver as an unpredictable factor, whose reactions and limitations can not be accurately judged by the man in the street.

PERSONALITY SKETCH

If a member of your family is driving home in the evening across the bay bridge, you might turn your radio dial to Bert Winn's "Cartunes" (KYA, Mondays through Fridays, 3:30 to 6 p.m.) to know when to have your dinner ready. This procedure may seem a little unusual... but according to Bert, this has actually happened many times to him. Busy home-makers have called to thank him for his program which regularly gives traffic information during the peak hours of traffic and wives can judge whether or not their husbands will be delayed crossing the bridge.

This is only an interesting sidelight on the beneficial results of this outstanding local radio program which has received recognition many times for the concrete results it has brought about in the interests of traffic safety. For the third consecutive year, the program recently was given the radio award for this area by the National Safety Council. Bridge officials believe that a considerable part of the decrease in the accident rate on the bay bridge is due to the "Cartunes" program.

In 1950 Bert conceived the idea of a program designed primarily to keep the bay area commuter informed of bay bridge traffic conditions. After many months of conferences and study, final approval for the broadcast was obtained from state and local officials, and in September 1952, Bert broadcast the first program from the central dispatching office at the toll gate. The purpose of "Cartunes" is to educate and entertain the motorist at the peak of traffic hours; to help keep him alert by making him aware of obstructions to the traffic flow, and to report on traffic conditions so that fewer accidents and traffic jams will occur. The informative traffic content of the program is under the direct supervision of the bay bridge authorities and the California State Highway Patrol.

Born in Alameda, Bert began his radio career over KROW in Oakland. He then joined the staff of KSFO where he remained until the war when he served as operation director for the Pacific area with the Office of War Information. Following the war he joined the staff of KGWB in the Hawaiian Islands where he wrote, produced, and appeared as emcee of "Hawaii Calls." Back in the states he worked at KXOB in Stockton until he joined KYA in 1949. Some of his outstanding programs include "Sidewalk Quiz," "The Question Wheel" and Lucky Lager Dance Time.

Residents of San Lorenzo, the Wines have three sons. They are active in their community and Bert participates in the Father's Club for that area.

"Cartunes" is a fine example of an outstanding public service program. With the staggering total of 80,000 to 100,000 automobiles crossing the bridge each day, it is easy to see the value of such a program. In his pleasant informal manner, Bert does a splendid job of keeping the motorist entertained and yet informed as they cross the stately bridge.

KIDDIES' CORNER... Mickey Mouse has come to television! By now the bicycle set in your home has probably discovered Mickey Mouse Club which is telecast Monday through Friday over ABC, KGO-TV at 5 p.m. We watched several shows and are as enthusiastic as the younger set. The show includes a daily serial for and about youngsters, a "Mickey Mouse Newsreel" (first newsreel to be produced especially for young people), the Mouseketeers, Mickey Mouse Continued Stories and a cartoon of the day. With that special touch of Disney magic the program is splendid entertainment as well as informative. We are pleased also that the program is telecast at an especially good hour for viewing by children. Along that line, many of our readers have expressed concern over the late hour of "Disneyland" which is telecast from 8 to 9 p.m. on Wednesday evenings over KGO-TV. Would you prefer to have the program scheduled at an earlier hour? Please write and let me know, and I'll see that your suggestions are brought to the attention of the proper officials.

TELEVISION IN 1965... At a press luncheon at the Mark Hopkins last week we were all whisked ten years into the future by Mr. John K. West, Vice President of the National Broadcasting Company's Pacific Division, who painted an exciting picture of what television will be like in the year 1965. During the next ten years he reported we can expect television as an advertising medium to be a 3 1/2 billion dollar business. He predicted that between 57 and 58 million homes will have tele-

DC WOMAN, GRANDDAUGHTER OF PIONEER SUTTER, TO SEEK \$50,000 FROM UNITED STATES

Mrs. Anna Sutter Young, of Daly City granddaughter and only living relative of the late Gen. John A. Sutter, re-kindled litigation nearly a hundred years old last week when she made plans to file claim to collect \$50,000 from the United States government which she says is due her by previous legislative enactment.

Mrs. Young, of 276 Acton street, 68-year-old wife of William Young, 73, has appealed to Congressman J. Arthur Younger of San Mateo county for help. Younger has agreed to re-introduce the claim at the next session of Congress.

Records of Congress show that measures have been recommended for payment of the nearly-century old claim.

Daughter of Counsel

Mrs. Young, for 26 years a resident of Daly City with her husband, who is a retired copper smith, is the daughter of John August Sutter Jr., son of the gold-rush pioneer from "Sutter's Fort."

Mrs. Young's father was for 20 years, from 1874 to 1894, the American consul to Mexico, and lived there with his wife and family.

The Daly City woman never had the opportunity of seeing her famed grandfather, as he passed away in 1880, seven years before her birth.

But all her life she has known about the old Mexican land grants that had given her grandfather title to some "12 leagues" of rich Sacramento valley property.

And this July she decided to do something about gaining indemnity for the property which she believed to be rightfully her grandfather's.

Library of Congress records on the case date back to 1866.

Here in 1838

Sutter came to California in 1838 to quell the bellicose Indians around the Sacramento river area.

The claim, introduced in Congress in 1866, cites that the Sutter-owned lands, some 12 leagues, were granted him by two governors of Mexico, Juan Alvarado and Michael Torrenio, in 1839 for payment of services Sutter was said to have rendered the officials.

The claim asks for indemnity for the loss, which Sutter said came about for want of legal protection by the territorial government.

More specifically, Sutter said that "the tragedy of the squatter" brought destruction of many livestock and illegally dispossessed him and his only recourse was to appeal to the Congress for protection and justice. Sutter said the land was occupied by squatters who assumed the land was public.

According to Mrs. Young, records show that earlier, on May 15, 1855, the United States commission on land grants confirmed both of Sutter's grants.

vision sets, 60% of them color receivers. In addition by that year all live and network programs will be in color. He said that today we stand in the position of where colored television has begun to move, in fact there is an actual shortage of color television receivers because of public demand. The National Broadcasting Company in nearly five times as many hours of color this fall as it carried last season. Some of the exciting colored NBC telecasts scheduled for this month and next over KRON-TV include "The Great Waltz," Nov. 5, "The Devil's Disciple," Nov. 20, "Dearest Enemy," Nov. 26, "The Sleeping Beauty," Dec. 12, and "Babes in Toyland," Dec. 24.

NEWS OF LOCAL PEOPLE IN TELEVISION... Lovely Barbara McRitchie, television and radio star who has been a Daly City resident for the past three years, is moving to Los Angeles where she will star on "Calo Pet Exchange" over KTTV. Although Barbara will live in the south she will commute weekly to San Francisco for the local production of "Calo Pet Exchange," Sundays at 3:30 p.m. over KGO-TV.

Following in his talented father's footsteps, 7 year old Bruce Herald, son of Dr. Earl S. Herald of Westlake, host on the noted "Science in Action" (KRON-TV, Mondays, 7 p.m.), appeared on Channel 4 last Saturday morning on the Fireman Frank program to display and describe a champion cat from the Marin County Cat Club show.

Dressed in their traditional brown outfits, little girls, members of Brownie Troop, No. 222 of Broadmoor visited Buckskin Bob in his backyard last Thursday evening over KQED. Members of the troop who appeared on the program included: Cathy Proctor, Cheryl Silveira, Lorna Neill, Linda Hurst, Linda Kellerher, Johanna Kok, Sandra Contreras, Vicki Colvin, Shirley Divers, Diane Wardell, Cynthia Krueger, Beverly Tomlinson, Linda Peters and Ingrid Giesecke. The previous week, Buckskin entertained children from Holy Angel's Elementary School and included: Kathleen Miceli, Susan Murphy, James and Charles Gerughy, Richy and Barry Ganter, Margaret Dryden, Laurie Dorn, Joe Redmond and Anne Pedmona.

THE EVIDENCE — Mrs. Anna Sutter Young of Daly City, granddaughter of Gen. John A. Sutter, studies Mexican grant made in 1839 deeding some 36 square miles of land to Sutter. Grant was made by two Governors of Mexico, Juan Alvarado and Michael Torrenio. Mrs. Young seeks to collect \$50,000 indemnity from U. S. government for land which she claims was illegally taken from her grandfather by early California squatters and never restored by the courts.

More specifically, Sutter said that "the tragedy of the squatter" brought destruction of many livestock and illegally dispossessed him and his only recourse was to appeal to the Congress for protection and justice. Sutter said the land was occupied by squatters who assumed the land was public.

According to Mrs. Young, records show that earlier, on May 15, 1855, the United States commission on land grants confirmed both of Sutter's grants.

GEN. JOHN A. SUTTER... In His 70s action to the house on Sutter's \$50,000 claim. At the conclusion of the Congressional session on April 30, 1880, records show that none of these bills were enacted and there is no record of any printed hearings concerning the matter.

Will Reinroduce Congressman Younger, on the basis of the favorable recommendations, has agreed to reintroduce the claim on behalf of Mrs. Young, only living relative of the California pioneer.

The Youngs lauded Younger for his "meritorious attitude" in agreeing to reintroduce the claim. "It would be a great act of the Congress to approve this long standing bill, the passage of which will redeem the wrongs of the courts of that era. In the present period the government stands by the principals of integrity and justice," said Mrs. Young.

Library of Congress records further show that on 1878 during the forty-sixth Congress a senate bill for the relief of John Sutter was introduced, but received no action. Then on April 8, 1880, at the forty-sixth Congress's second session, the house committee on claims recommended favorable

The Next Step Next step in the long legal delay came on June 30, 1876, at the end of the forty-first Congress session, when the house privet land claims committee voted to recommend the passage of a bill granting Sutter \$50,000, "in consideration of his services to the immigrants, his losses and injury received because of an adverse Supreme Court decision."

Library of Congress records further show that on 1878 during the forty-sixth Congress a senate bill for the relief of John Sutter was introduced, but received no action. Then on April 8, 1880, at the forty-sixth Congress's second session, the house committee on claims recommended favorable

There will be prizes on display, too, and music will add to the festival spirit.

Booths will be built this weekend by pack fathers, and other plans are well under way, according to John Pickens, general chairman. The festival is being sponsored by the parents of all the Cubs in Pack 259.

Del Wilson and W. F. Brodie, S-D Day, a nation-wide observance, will be held December 1.

Westlake Baptist Church Holds 1st Chapel Service

First worship services were conducted in the newly erected chapel of the Westlake Community Baptist church, Elmwood and Southgate streets, last Sunday.

Appraisal value of the present place of worship is \$65,000, according to the Reverend Roy L. Milam. The figure does not include the twenty five by 14 feet stained glass window over the entrance, created by John Lucas, Church Art Glass Co., San Francisco. Lucas is considered one of the outstanding and finest stained glass window artists on the Pacific coast, the Reverend said. The window was donated by the H. F. Suhr Morticians, San Francisco, in memory of Herbert F. Suhr and H. Fred Suhr. The window is considered by art critics as one of the most beautiful in the bay region, and it is believed that the artist, will receive national recognition for his creation in the use of natural colored glass.

at the 9 o'clock Mass at Holy Angels church in Colma. Breakfast will follow immediately at the Olympic Club with the Rev. Joseph McDonald, of the Columbian Fathers, as guest speaker. Colma and Daly City residents interested in Y.L.I. may phone Mrs. Joseph P. Toboni Jr. at Plaza 5-7767 for a reservation.

Reverend Milam, commended the work of the Men's Brotherhood for their contribution of donated labor. He commented, "Without the unselfish efforts of our men who have given 18 successive Saturdays of donated time, our present facilities and edifice, would still be a dream and not a reality. The Sisterhood provided hot meals each week for the workers, and completion was made in record time. The church members and Pastor Milam join in expressing their gratitude and thanks to everyone who has assisted the church financially, and donated labor and materials."

EDUCATION WEEK WILL START SUNDAY IN DC

National Education week will be observed by the Jefferson Elementary school district next week. Miss Alfea Belli, district speech coordinator and chairman of the local program, announces that purpose of the week is to promote closer understanding between parents and school personnel.

The program was originally established in 1921 by the joint action of the National Education Association and the American Legion. In recent years the United States office of education and the Congress of Parents and Teachers have joined as sponsors of the annual event.

This year the local elementary district will again hold a "get acquainted" tea in each school. According to Miss Belli, object of the teas is to enable parents to meet their children's teacher in a friendly, social atmosphere.

Local schools will hold teas on the following dates:

Monday, November 7, Garden Village school; Tuesday, November

8, Colma K-6, Crocker and Westlake schools; Wednesday, November 9, Colma, General Pershing, 87th street Woodrow Wilson, Benjamin Franklin school; Thursday November 10, Jefferson and Olympia schools.

In addition to the teas, artistic announcements, designed by Mrs. Cordell, have been placed in store windows. Selection of the windows has been planned to cover all areas of the district, Miss Belli said.

They are: A. J. Gaggero Insurance company, 7377 Mission street; Daly City Drug company, 6331 Mission street; Shaw's Confections, 2350 Junipero Serra boulevard, and Westlake French Cleaners, 330 South Mayfair avenue.

The board of trustees, school staff and the committee announce that they hope citizens will take his opportunity to become better acquainted with school personnel. They urge that citizens consider his year's theme, "Schools—Your investment in America."

CUB PACK 243 HOLDS HALLOWEEN PARTY

Cub Pack 243 held a highly successful Halloween Party recently in the OLFH Auditorium, according to cubmaster Stanley White.

Costume prizes were awarded to three boys in Den 4. Richard Knox won the prize for the most original costume—a large, brown owl; Jimmy Fair won the prize for the funniest costume—a fat lady; and Sammy Daniele won for having the best costume—he was dressed like Carmen Miranda. Music for the grand march was played on the accordion by Ronald Starzo of Den 1.

Tables were decorated with Halloween favors and napkins by Mrs. Day of Den 5 who was in charge of the refreshments. A sheet cake was donated by the Relish bakery.

Next month's meeting will feature uniform inspection and achievement awards, as well as "America the Beautiful."

Sheridan PTA To Operate "Country Store" At School

The Sheridan P.T.A. will operate a "Country Store" on Thursday, November 10. The "Store" will be set up in the school auditorium and will open at 10 a.m., staying open all day until 3:30 p.m. Food items and other articles donated by members will be on sale at bargain prices.

Colma PTA Magazine Tea Postponed Week

Colma P.T.A.'s magazine tea scheduled for next Thursday has been postponed to November 17, according to magazine chairman Mrs. Emil Hnilo.

The tea will be held from 2:30 to 4 p.m. at home of Mrs. George Bertucci, 185 B street, Colma.

Educational articles for all ages will be on display, Mrs. Hnilo said.

Vista Grande Church Invites To Instruct In "Christian Laws"

Howard Patrick McConnell, minister of the 101 Vista Grande avenue Christian church, announces that he will speak Sunday morning at 10:55 on the theme: "The Seven Laws of Christian Growth."

Sunday school sessions are especially attractive to children because motion pictures or slides of biblical stories are shown every Sunday. The school is at 9:30 o'clock with classes for all ages. The administration specializes in the care of infants and the two to four year old children.

The young people of the church join in a rally at the Fruitvale Christian church of Oakland, with Mike Patton, Wyot Moat, George Taylor and Muriel Evans leading the devotions for the bay area together.

Week-time activities include Boy Scouts on Monday night, church officers' meeting on Tuesday evening, and Bible Study on Wednesday night.

The women of the church are holding a bazaar on Saturday, November 12, with doors opening at 10:30 o'clock. A snack bar will operate all day and in the evening from 5 to 7 p.m. dinner will be served, with the public cordially invited.

Crocker-Pershing PTA Board To Ask Revision Of Rules

At the last meeting of the Crocker-Pershing PTA executive board, standing rules were read by Mrs. Jack White, president. These rules were discussed, revised, and then approved by the board and will be brought before the membership for acceptance.

Two new officers and two new chairmen were appointed to fill vacancies due to resignations. They are: Mrs. Ralph Campbell, financial secretary; Mrs. Francis Fazendin, corresponding secretary; Mrs. Al Parodi, room representative chairman, Crocker; and Mrs. J. Poncia, room representative chairman, General Pershing.

Mrs. White announced that the membership drive is moving very slowly. All parents are urged to send in their dues promptly. The motion to have room prizes to stimulate the drive was voted down. Room representatives will be asked to make personal calls to non-members.

The hot dog sale held at both schools on October 31 was a big success, reports Mrs. Muriel Kieth, publicity chairman.

Next unit meeting will be held at Crocker school on Tuesday at 8 p.m. Mrs. Rose Resnick, executive director of Recreation for the Blind will be the guest speaker.

A Fashion Festival is scheduled for Friday, March 2. It is to be a social evening at which clothes made by parents will be modeled. Also, the sewing committee will have aprons to sell. Anyone interested in participating in this affair should contact the chairman, Mrs. M. Wakefield, DE. 3-

CONFAB REPORT HEARD AT MEET OF WILSON PTA

"Financing, building, and staffing public schools for many years to come will mean a terrific headache for everyone; all aspects of the public schools are the vital concern of some part of the community; and the need for a continuing public interest in education is urgent."

These three conclusions emerged from the report six delegates to the Governor's conference on Education made at the last regular meeting of the 17th District CCPT in Capuchino high school, San Bruno, according to Mrs. William Dylenda, publicity chairman for Woodrow Wilson PTA.

Although each discussed one of the six conference topics, the need for a continuing public interest in education recurred in all their remarks.

Woodrow Wilson PTA's delegates were Mrs. Ethel B. Hahn and Mrs. Mendel Plansky.

A painting estimate from **ALBERT M. ROSENBERG, PAINTER**, will cost you nothing more than the time it takes to call Plaza 5-7733 and with terms of 1-3 years to pay—the time is NOW!

With Holidays—and rainy days—coming up, how about a look through that basement for clean-up time? **THE DALY CITY SCAVENGER CO.** will be glad to haul it away and for an extremely minimum fee. Just call Juniper 7-6794 and avoid the mess AND expense AND labor involved by "do it yourself" dumping of refuse!

We hereby give a cheer for the makers of **BUTTERNUT BREADS**—and an especially loud and happy one for their packages of eight, instead of six, Hot Dog Buns! HILLTOP MARKET employees brought to our attention the truly wonderful offer, now on **NABISCO SHREDDED WHEAT** packages, of a complete plate setting of Wallace Bros. STAINLESS STEEL TABLEWARE for just one box top and \$1.00! See it pictured there—then compare this offer with prices for equivalent stainless ware—and start, as so many people are doing, to eat **SHREDDED WHEAT**! P.S.—We'd like this offer anyway—if only because it's for adults AND children to use and because we are sooooo tired of tiny this and that for the kiddies in boxes of everything from soup to nuts!

Ladies—that **KARL'S SHOE STORE** Golden Jubilee special on first quality nylons is still on: Three pair for \$2.97 and the fourth pair absolutely FREE! **KARL'S SHOE STORE** is located at 6422 Mission St.

McGRAW BROS. "Rexall" **DRUG STORE**, located at 6300 Mission St., now carries **REDUCE AID**—medically formulated for the fine cosmetic house of Helena Rubinstein and guaranteed to curb your appetite. **REDUCE AID** is vitamin rich and comes in mint flavored tablets. The price is \$2.95 (no tax) also includes a tiny purse size dispenser for your daily supply and a check book of recipes labeled, appropriately enough, **REDUCE AID** today if you, calorie counting has not been up to par! **REDUCE AID** makes no wild claims of pounds and pounds melted away in no time flat, but it can and will help you to lose unwanted pounds safely!

If the window shades in your home show pin points of light and a slightly ravelled look along the edges from being raised and lowered improperly—and show me a family, especially with children, where the "bulla" are always used properly—ask to see the **"TONTINE"** shade material, made by DuPont, in the **DALY CITY BLIND & SHADE!** "Tontine" shade materials may be crumpled, washed and grabbed without ill effects and they come in colors, too! Cost is slightly above that of the ordinary muslin shade, but once you see Tontine—we think you'll say "That's for me!"

DALY CITY BLIND AND SHADE is located at 40 Hillcrest—just off top of the hill at Mission St.

Only One Incident Mars Halloween Crocker-Pershing

Only one incident marred a comparatively peaceful Halloween celebration Monday night in this area. Two high school youths, part of a three-car brigade, part of a parade of throwing tomatoes at passing cars and pedestrians.

The boys, who were caught red-handed with a 25-pound crate of tomatoes, were held for police by John Martin, attendant at the Regal gas station on Junipero Serra boulevard and School street. Martin told officers that celebrants in the other two cars escaped.

Police reprimanded the two youths and released them to the custody of their parents.

The Daly City police station received a higher number of calls than usual, however, it was reported that Broadmoor police had only one call, a complaint of children throwing eggs. Officers were unable to find the alleged culprits.

DOOR TO MEXICO

More automobiles enter Mexico from the United States by way of Laredo, Texas, than any other point of entry. The California State Automobile Association reports that 30,000 cars entered through Laredo during the first seven months of 1955.

The world had a grand total of 88 million motor vehicles in 1954, reports the National Automobile Club. Close to 59 million of these were in the United States.

WELTERS HEAD OLPH NOVEMBER 12 BOUTS

Welterweights will be in the limelight Saturday, November 12, when OLPH Men's club renews their monthly amateur boxing program at Daly City community center.

In what is expected to be one of the night's top bouts, Tony Moss, diamond belt champion, and Joe Virgil, both undefeated and weighing 147 pounds, will clash.

Moss hails from Stockton, while Virgil is from the Excelsior district and has defeated several U. S. army champions.

In another fracas at the 147-pound weight, a Navy-Marine grudge match will be renewed.

Marine George Weiner will trade leather with the Navy's Louis Vaughn. The pair fought to a draw recently at the Oakland Army base.

A third bout was scheduled between Henry Berrera, 132-pound Golden Gloves champ from San Jose, and Luis Molina, flashy lightweight who scored decisive victories in previous appearances here. However, Molina has joined the Marines and won't be available.

The Men's club is seeking a suitable opponent for Berrera.

Bouts will start at 8 p.m., and admission price will be \$1.50 for ringside, \$1 for general, 50 cents for children.

JEFF COED ESCAPES INJURY WHEN STRUCK DOWN BY CAR HERE

A 14-year-old Jefferson Union High school girl escaped injury Friday morning when she was struck down by a car as she was crossing the street to school.

Rushed to Junipero Serra hospital where attendants reported she was not hurt was Frances Meirana, 298 First avenue. Miss Meirana told officers, who arrived after the accident, the driver of the car had given her his name and address and then left.

Driver of the car, Walter Baldwin, 65, 424 Octavia street, apt. 14, San Francisco, was cited for violating the pedestrian right of way.

In the meanwhile, Pastor Martin is conducting services every Sunday at 11 a.m. in the Broadmoor Community center, White street near 87th street, in Broadmoor Village. Sunday School for children and Bible class for adults begin at 9:30 a.m.

OLPH Bouts Will Host Boy Scouts

Saturday, November 12, will be "Boy Scout" night when the OLPH Men's club re-opens their amateur boxing program at Daly City community center.

The Men's club has extended invitation to all Boy Scouts in the Lake Merced district to attend the bouts free of charge. Regular price for children is 50 cents.

A special general admission section will be reserved for the Scouts, according to Walter Gillies, chairman of the fight program.

Only requirement for free entrance to the bouts is that the Scouts be in uniform. Scoutmasters accompanying the boys can also attend free if in uniform, said Gillies.

The evening's program will be opened with appropriate ceremonies, and members of OLPH Scout Troop 243, headed by Scoutmaster Harry Hettie, will act as color guard.

"Inasmuch as funds from our shows go to financing youth activities," Gillies explained, "We are concentrating our boxing shows on youth benefit. We feel the sportsmanship displayed in amateur boxing goes a long way in guiding youth in the right direction and it is appropriate that our opening presentation will be 'Scout Night'."

TWO FORMER JEFF CAGERS TRYOUT AT COLLEGE OF MATEO

Two former Jefferson cagers were among 22 casabamen greeting College of San Mateo coach Ray Balsley Tuesday as the Bulldogs went through their first practice session of the 1955-56 season.

They are Ron Anguillo and Al Lagomarsino, who performed with last year's Indian club.

Toughest gap for Balsley to fill will be the center post, held for the past two seasons by 6'8" Jack Alaim of Daly City, All-Conference competitor, who graduated last year.

Martinez Dazzles, Defense Mangles Menlo Atherton Bears As Jefferson Frosh Win, 36-27; Take PAL Lead

Sonny Martinez did a little bit of everything Thursday in leading Jefferson High school frosh-soph to a 36-27 victory over Menlo-Atherton and undisputed first place in the PAL.

Martinez was everywhere that the defenders weren't, as he stole a pass and scored from 16 yards out, running over the PAT, caught an 18 yard aerial for another tally, and bolted 44 yards for his third six-point.

The final score actually gave the impression that it was a close game, but Coach Tony Giammona's Indians held a 23-0 half-time edge, and only allowed Menlo-Atherton to score in the final 13 seconds when the reserves were sent in.

Opens Scoring Martinez opened scoring in the first quarter as he intercepted a Bear pass on the 16 and went all the way over. Neil Dunsford ran over the extra point.

In the second quarter the Indians picked up two easy points when the Bears, backed up against their own goal, fumbled a bad center that rolled behind the end zone, giving the local yearlings a 9-0 advantage.

Taking over again in the second quarter, the Indians moved to the one yard line of Menlo, then fumbled, losing possession. On the next play the Bears bobbled the pigskin. Adrian Thompson fell on it in the end zone for six more digits. Martinez ran over the conversion, giving the Indians a 16-0 lead.

Called Back A few minutes later, Martinez scampered 18 yards for another TD, but it was called back for offensive holding.

Jeff losing the ball on downs, Menlo took over, only to fumble on the 18-yard line. With three second left in the half, Paul Tapia connected on a pass to Martinez, who went all the way. Dunsford was good for the PAT, and the Daly City frosh held a 23-0 half-time edge.

Opening the third period, Barry Haanan took a Tapia pass and rambled 40 yards to the opposition 16. Ron Molina, second string half, skirted around end to chew off the entire 16 and a TD.

The PAT was missed. Martinez climaxed his day of glory in the first play of the fourth period, as he bounded 44 yards for a touchdown. Dunsford made the conversion good and it was 36-0.

27 Points The Bears hit for 27 points, mainly on pass plays. In the final 13 minutes as Giammona cleared the bench.

When the first club was in, Menlo never advanced further than their own 40 yard line, mainly due to the crunching Jefferson defensive line. Frank Pitto, Pete Garcia and Thompson were chewing up the Bear offense on every play. On one series, Garcia made seven straight tackles, everyone of which threw the Bears for a loss.

Herb Dirks, playing at line-backer, throttled the Menlo pass attack, as he smashed the receivers as they attempted to get behind the secondary.

"It was our best game yet," said Giammona. "Martinez and our line was the difference."

The Indians made a total of 215 yards, 160 rushing, 55 passing.

Martinez Gets 118 Martinez alone carried for 118 yards rushing in 14 tries, for better than eight yards per carry. Molina went for 22 yards, Dunsford, 35.

Tapia was off on his passing, hitting only four of 24. Haanan caught two for 34 yards, Martinez one for 10 yards, and Dunsford one for 11 yards.

The Indians now have four wins, one tie, and hold undisputed first. They were scheduled to meet Burlingame yesterday, and take on Carmel here in a rough one next Thursday. The Scots hold three wins, one loss, one tie, and still are contenders for the title.

Jeff Can Take Title: Win The Rest, Says Coach; Take On Sequoia Today

7-6 WIN OVER CAP CHANGES PICTURE

"Win the rest and we've got a chance at the PAL championship." These were the words this week of Jefferson High school football coach Joe McGrath. That the fortunes of football are fickle at best is noted by McGrath's comments two months ago when, asked to summarize his team's chances this year, he would only venture, "We'll finish better than our next-to-last place in 1954."

What made a grey picture altogether bright for the local gridiron 11 was last Friday's 7-6 victory over Capuchino, which gave the Indians a 3-1 record and left them unbelievably in third place, only one game away from the leaders, South San Francisco and Lincoln, each with 4-0 marks.

The first hurdle in McGrath's plans to wipe out the remaining competition takes the form of Sequoia High school today (Friday), at the Cherokee reservation, 3 p.m.

A Lot Rides
Meantime, a lot rides on today's SSF-Lincoln engagement at San Jose. Should the Warriors win, Jeffs hopes for a piece of the championship would soar, since the Indians will play SSF, while they do not meet Lincoln. A Warrior victory tonight, coupled with an Indian win over these same traditional rivals on November 24, would give the Indians a share of the crown on paper, providing they win over Sequoia today. Burlingame next Friday, and Menlo-Atherton November 18.

Despite the loss of two key players, halfback Tex Prentice and end Delmar Scott, who suffered broken hands in the Capuchino game, McGrath will have a pretty healthy starting team in against the lowly Sequoians, who can boast only one win, that against the last-place Carlmont club.

Jerry Howard will fill in for Prentice, while the rest of the backfield shapes up as usual, with Jim Honeywell at QB, Ron O'Rourke at the other half and Lee Casentini fullback.

Shifting In Line
McGrath has done some shuffling in the line, calling on Jim Giblin to fill Scott's shoes at right end, and moving Ron Cryer to left end.

George McNutt will take over the left tackle spot, replacing Jim Farley, while big Herman Kihns has been nudged out of the middle guard position by Don Monson.

Ed Leveroni and Steve Cantil will handle linebacker chores, taking over for Roger Robinson and Prentice, respectively.

"Our defensive line has been the most trouble," said McGrath. "We'll keep shifting around until we come up with the best combination."

The Indians were outgained but not outgunned Friday in claiming a narrow decision over Cap.

Honeywell's running and Bob Grubb's big toe were the margin of victory.

Behind, 6-0, in the third quarter, Honeywell dashed 40 yards to score after he found his pass receivers blocked. Grubb added the point after touchdown with his 10th good boot out of 12 tries.

Mustangs Open
Mustangs opened scoring in the second quarter with a 61-yard march that was culminated when Bill Cole banged over from six yards out. The vital PAT kick was missed.

Other Mustang scoring threats fizzled after the "Tangs" lost the ball on three costly fumbles.

The Caps started one drive in the third period that went to the Indian five-yard line, but they lost the ball on downs.

It was at this point that Honeywell engineered the Jeffs only concerted drive of the day that resulted in victory.

Howard gave the Indians elbow room as he boomed 20 yards through the middle. Honeywell went for two and then hit Ted Amirkhan with a 11-yard pass. O'Rourke picked up six and Honeywell went for the zone again, connecting with Amirkhan for six yards. Honeywell then drove for 12 yards in two plays and it was first down on the Cap 38.

Looks To Air
O'Rourke made four yards and Honeywell tried for the air lanes again. Finding no receivers in the clear, Honeywell spied a freeway down the right side, took off and rammed all the way to score, outrunning three of the Cap defenders who were thrown off balance by the spontaneous play.

Grubb then kicked the one-

pointer to put the Indians out in front to stay.

With three minutes to play, the Mustangs netted 30 yards to the Jeff 40 on a pass play, only to have it called back because of offensive interference. Finally forced to kick, the Mustangs were lucky to stave off another TD by the inspired Indians.

Starting on the Cap 42, Honeywell led his club to the Mustang five, but the gun sounded to squash the opportunity.

Come Alive

The Jeffs seemed to come alive in the second half, after failing to threaten in the first two periods.

Capuchino had the edge in rushing, getting 224 yards to 181 for the Indians. The Indians passed for a meager 32 yards, against 27 for the Mustangs.

Honeywell carried the mail 21 yards, gaining 95. Howard picked up 38, O'Rourke, 21, and Prentice, 29.

Honeywell completed four passes out of 14 tries. Amirkhan caught three for 20 yards, Cloutier one for 12 yards.

McGrath cited defensive work of Scott, Cryer and Cantil as instrumental in crimping Cap's attack.

Indian Cagers Hand HMB Twin Pasting, Anderson Nets 22

Like clockwork, Jefferson High school handed Half Moon Bay lightweight cagers a pair of pastings Tuesday at the Coast school.

The Indian 10s thumped the Cougars, 34-22, as Don Miller meshed 14 points for the winners, followed by Wayne Lewis, eight.

Their big brothers, the Daly City 20s, massacred HMB, 62-25, as center Don Anderson put on a surprising offensive show, potting eight field goals, six free throws for 22 points. Andy Ruelas added 11 markers and Carl Meechi, 10.

It marked the first time that Anderson had scored in double figures and his average up to the HMB encounter was only four points per game. Anderson was also the Indians' defensive ace.

The local 10s now have a 9-1 league mark and hold down second place, one game away from undefeated Capuchino (10-0). The 20s boast an 8-2 mark for third spot, behind Burlingame (9-1) and Capuchino (10-0).

play will fine Luce Meat tangling with third-place San Pedro Lunch.

Runners Cluster To Edge St. Ignatius

With little Andy Estigoy leading the pack, Jefferson High school cross-country team annexed its third win in four starts last Thursday, turning back St. Ignatius, 26-35, in a marathon at Golden Gate park.

Middle strength again turned the trick for Coach Ernie Ribera's harriers, as the Jeffs claimed 15 of the first 20 places.

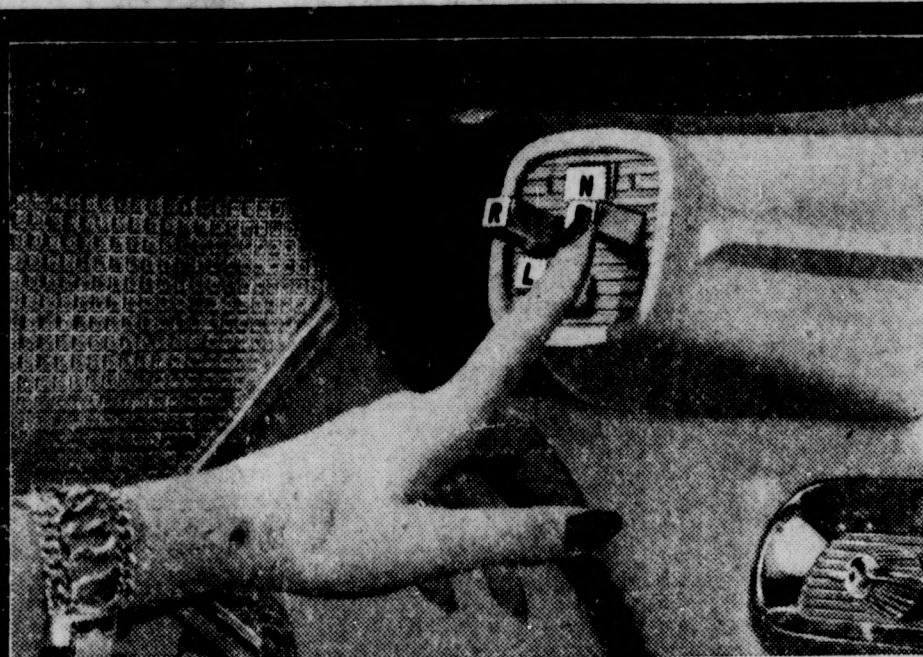

Estigoy was second behind Van Fant to lead his club.

Other Jeff fishers included: Albert Davila, fourth; Jim Taylor, fifth; Jim Gustafson, seventh; George Grasso, eighth; Bob Millard, ninth; Dave Harris, tenth; Rich Johnson, eleventh; Ron Anderson, Steve Mack, John Jackson, Earl Graves, Phil Green, Rich Guisto and Gary Romrell, 14th through 20th, respectively.
